

CSIR Fourth Paradigm Institute (CSIR- 4PI)
(Formerly CSIR- C-MMACS, Bengaluru)
NAL Belur Campus, Wind Tunnel Road,
Bengaluru - 560 037, Karnataka, INDIA.

**LOOKING FOR BRIGHT YOUNG RESEARCHERS
TO BE RECRUITED ON TEMPORARY BASIS**

Council of Scientific and Industrial Research (CSIR) is an autonomous body under Ministry of Science and Technology, Government of India. It is one of the largest and most diversified scientific organizations having a network of nearly 40 state-of-the-art Laboratories with well experienced scientific staff and a large number of research scholars.

CSIR Fourth Paradigm Institute (CSIR-4PI) is a unique, multi-location Institute dedicated to BIG DATA science. Our vision is pursuit of “High End Computational Science empowering Data Intensive Scientific Discovery” in trans-disciplinary areas through large scale scientific computing. Our facilities include world-class supercomputing environment; attractive academic programs; strong network of CSIR Labs with domain expertise.

CSIR-4PI, for its ongoing Projects in Bangalore - “*Modelling and Forecasting of High Impact Weather Events in the Beas basin and Designing a proto-type Advance Warning system for Mitigating their Adverse Impacts*” under the National Mission on Himalayan Studies (NMHS) and “*Development of a modelling platform for Hydro-Meteorological Disaster early warning system for metro cities in India (HDWS)*” by CSIR, will be engaging well qualified temporary Project staff as under –

I. Research Associate :

Remuneration : Rs.42,000/- per month + House Rent Allowance (HRA)

Age Limit : 40 years, relaxable for SC/ST/OBC & Women Candidates as per GoI / CSIR orders.

POST CODE: RA/CEMP/01: (1 Post)

Essential Qualification: Ph.D in Meteorology/Atmospheric Science.

Desirable requirements: Work/research experience in numerical weather prediction models like GCM, WRF etc. Familiar with scientific visualization and analysis software such as GrADS, Ferret, NCL and good programming skill in Linux, Fortran and Python.

Job Requirements: The selected candidate is expected to work with team involved in Project under National Mission on Himalayan Studies.

II. Senior Project Associate :

Remuneration : Rs.42,000/- per month + House Rent Allowance (HRA)

Age Limit : 40 years, relaxable for SC/ST/OBC & Women Candidates as per GoI / CSIR orders.

POST CODE: SPA/CEMP/01: (1 Post)

Essential Qualification: Ph.D in Atmospheric Science **or** M.Sc/M.Tech in Atmospheric Science/Meteorology with 4 years of research experience post M.Sc/M.Tech in the field of Atmospheric Sciences.

Desirable requirements: Work knowledge in weather prediction models like GCM, WRF etc. Familiar with scientific visualization and analysis software such as GrADS, GMT, NCL and good programming skill in Linux, Fortran, C/C++, R, etc.

Job Requirements: The selected candidate is expected to work with team involved in research related to urban extreme rainfall events and numerical simulations.

III. Project Associate (Level - II):

Remuneration : Rs.28,000/- per month + House Rent Allowance (HRA)

Age Limit : 35 years, relaxable for SC/ST/OBC & Women Candidates as per GoI / CSIR orders.

POST CODE: PA/CEMP/01: (2 Posts)

Essential Qualification: First Class (60%) in **M.Sc. (Atmospheric Science/ Meteorology /Physics)** with 2 year experience post M.Sc Or M.Tech Computer Science from a Recognised Institution / University.

Desirable requirements: Work/research experience in numerical weather prediction models like GCM, WRF etc. Familiar with scientific visualization and analysis software such as GrADS, Ferret, NCL and good programming skill in Linux, Fortran and Python.

Job Requirements: The selected candidate is expected to work with team involved in research related to urban extreme rainfall events and numerical simulations.

IV. Project Assistant :

Remuneration : Rs.24,000/- per month (fixed).

Age Limit : 35 years, relaxable for SC/ST/OBC & Women Candidates as per GoI / CSIR orders.

POST CODE: PA/CEMP/02: (1 Post)

Essential Qualification: First Class (60%) in **M.Sc. (Oceanography/Meteorology/ Atmospheric Science/Environmental Science)** or **B.E/B.Tech** in Computer Science.

Desirable requirements: Work/research experience in numerical weather prediction models like GCM, WRF etc. Familiar with scientific visualization and analysis software such as GrADS, Ferret, NCL and good programming skill in Linux, Fortran and Python.

Job Requirements: The selected candidate is expected to work with team involved in Project under National Mission on Himalayan Studies.

IMPORTANT INSTRUCTIONS –

- 1) The selection will be based on screening of the applications followed by personal interview by Online mode.
- 2) Candidates will be shortlisted based on their applications by a screening committee. If large number of applications are received, then the committee may adopt additional criteria to shortlist the candidates.
- 3) Short listed candidates will be called for an Online Personal Interview. The details of the interview will be intimated by email only.
- 4) Candidates must email their duly completed applications in pdf format to recruit@csir4pi.in latest by 23rd Mar 2021 along with following -
 - a) A duly filled application form (Application forms can be downloaded from the website www.csir4pi.in)
 - b) One passport size photo affixed on the application
 - c) Photo ID proof (Govt issued photo id card)
 - d) All certificates in support of your date of birth (SSLC/Class-10 Certificate), qualifications (Convocation/PDC and all semester marks sheet), experience etc.
 - e) SC/ST/OBC/EWS certificate in GoI format.
- 5) Candidates applying for more than one position should submit separate application for each position
- 6) **Students awaiting Final year results will NOT be considered.**

- 7) The institute reserves the right to increase or decrease the number of posts to be recruited.
- 8) The institute reserves the right to reject any or all the applications without assigning any reasons.
- 9) Mere fulfilment of minimum qualification and experience for the post does not entitle the candidate to be called for interview.
- 10) Canvassing in any form shall be grounds for disqualification.

GENERAL INSTRUCTIONS:

- (1) Only Indian Nationals are eligible to apply for the above positions.
- (2) The above positions are purely Temporary and on Contract basis for the duration of the Projects only. The contract may be terminated at any time by giving one month's notice by either side. The applicants will have no claim implicit or explicit for consideration against any CSIR post.
- (3) The engagement of Project staff will be initially for a period of one year, which may be extended or curtailed depending on the performance of the candidate.
- (4) Age limit will be reckoned as on **23rd Mar 2021**. Age limit is relaxable for SC/ST/OBC and Women candidates as per Government of India / CSIR orders.
- (5) As regards reservation, if all things are equal, SC/ST/OBC/EWS candidates may be given preference over General candidates so as to ensure their representation.
- (6) Currently employed candidates will have to furnish no objection certificate from their employer.
- (7) Engagement of Project staff shall be as per CSIR Guidelines/Guidelines of the funding agency.

INTERIM ENQUIRIES WILL NOT BE ATTENDED TO.
